← Signup ?

Welcome! Please create an account below.

First Name (*)

Last Name (*)

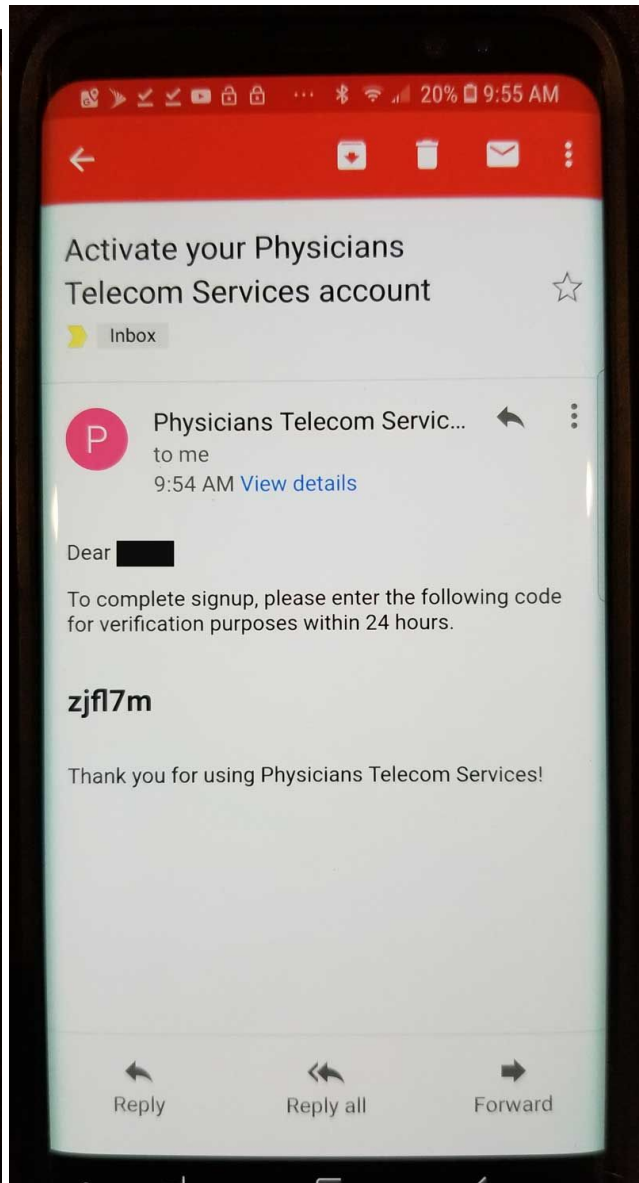

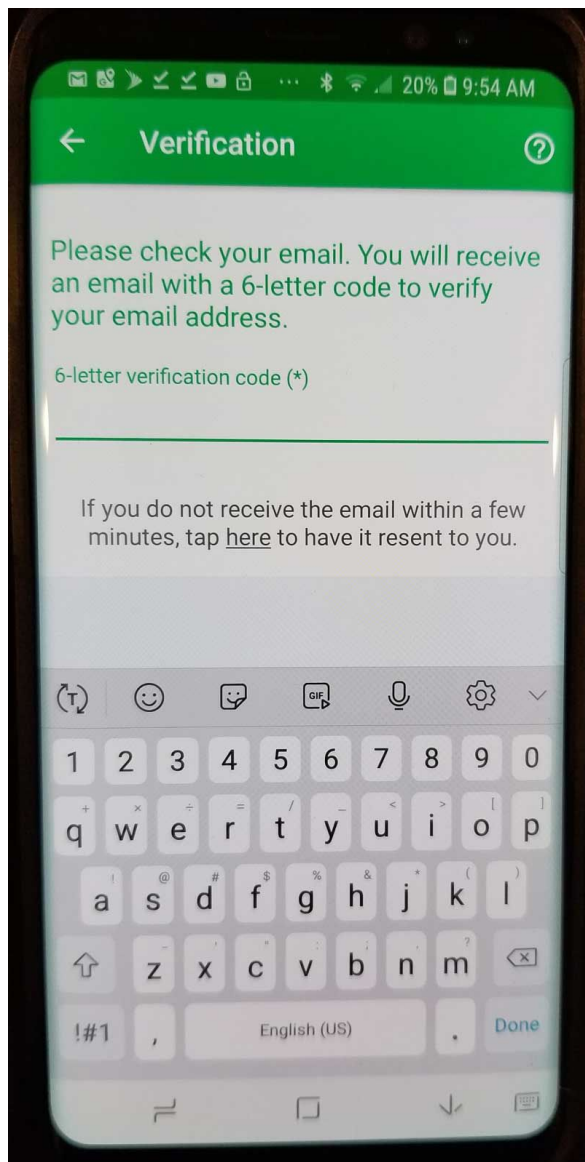

Email (*)

Please check your email for a 6-letter verification code. You will need to enter that on the next screen.

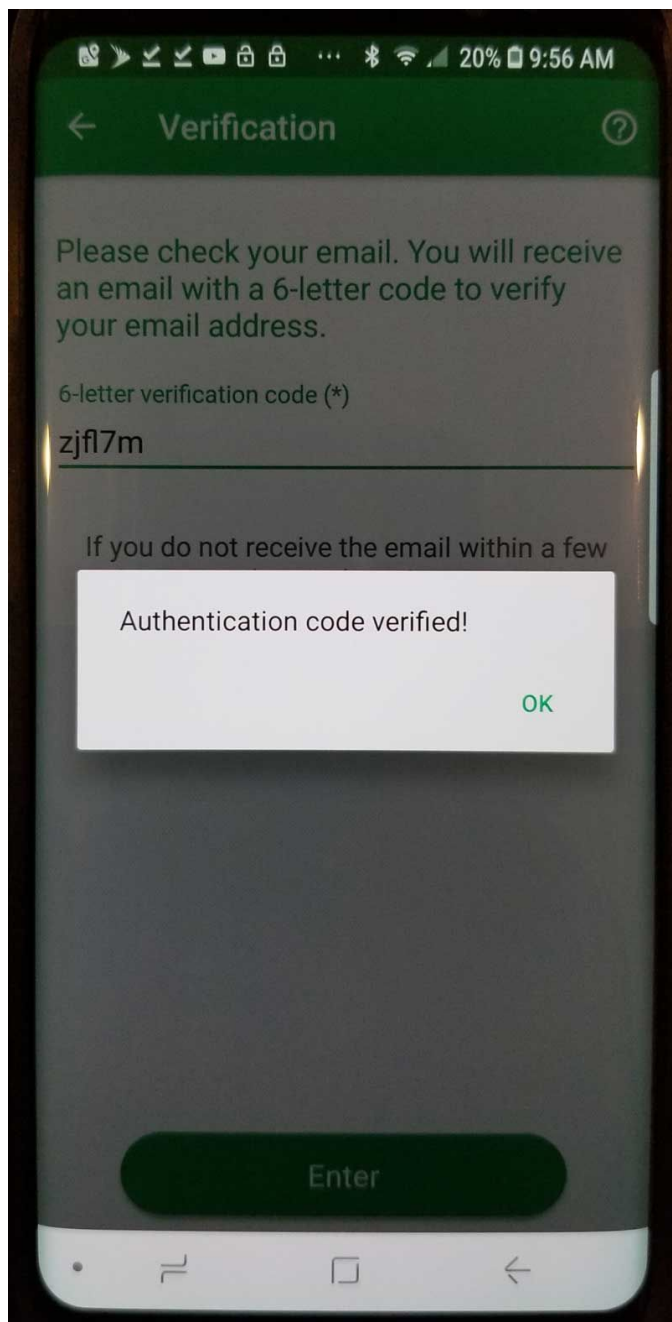

Enter

Telemedicine Mobile App Signup Instructions

Once you click Enter the app will send a verification email with a 6 digit code to the email account you entered and you will land on the verification screen which asks you to enter the 6 digit code. Go get that code from the email we sent to you and enter it here and click Enter. Then You will be shown the “Authentication Code Verified” message (3 screenshots below of email and app verification screen and authentication message):

After clicking ok on that message you are brought to the full sign up form where you will just be asked for a little bit more information including your Birth date and phone number. This is the last step of signup! Please fill out all information and click Create.

The image shows a mobile application interface for creating a new account. The screen has a green header with the text "New account" and a question mark icon. Below the header, there are several input fields and options:

- First Name (*)**: A text input field.
- Last Name (*)**: A text input field.
- Gender (*)**: Two radio button options: "Male" and "Female".
- Date of Birth (*)**: A date picker field.
- Password (*)**: A text input field.
- Retype password**: A text input field for confirming the password.
- Phone number**: A text input field with a dropdown arrow icon on the right.

At the bottom of the form is a large green button labeled "Create". The Android navigation bar is visible at the very bottom of the screen.
